15th JUNE 2025

Greetings to you all in the wonderful name of our Lord God Lahari Krishna. Received all your letters and gifts of love sent towards our Lord God's ministry. **The Children's Summer Camp in Manujothi Ashram and Asarada went on smoothly.** Many Children took part in the same. **The 56th Kalki Jayanthi Celebrations will take place from Monday the 14th of July until 22nd of July in Sathianagaram, Manujothi Ashram.**

In the coming days people are going to face many problems. Also 1/4th of the earth's population is going to be killed by the mark of the beast. At the same time those who are ordained before the foundation of the world are Glorified and other sealed people will be protected by the two witnesses. There has been lot of changes in the world in the recent days. So when things begin to change, people cannot do anything except look towards Tribulation only. In the first week of May 2025, there was a war between India and Pakistan. The people of Pakistan, being the lineage of Esau, the brother of Jacob are trying to threaten India by saying that India is their property. Whereas Jacob took the blessings which belongs to Esau and also his birth right. Read from Lord God's messages preached on 31-10-1986 regarding the destruction of Pakistan. **When Pakistan tries to attack India, the very thought of it will bring destruction for them.** This is only a beginning of destruction, and a time will come, the whole community of Pakistan will be totally destroyed. And the land of Pakistan will be handed over to India back again, which is called 'Sindh Province', and this proves the National Anthem of Tagore saying, 'Thou the protector of India, Victory to thee alone'.

Kindly read and meditate the following portions: These are troublous times and every individual among us is tempted and tested to practice the Righteousness of God. There are some people among us having Lucifer's spirit, who have entered not through the door possessing self righteousness, but by a wrong way into the wedding ceremony. They have forgotten about the Righteous dress which He has given. Such people have to be identified and thrown out by the owner. Kindly read **Matthew 22:1-14**. Because they do not practice the Righteousness of God by forgiving the mistake of others. You know many people are influenced by other people. Influenced by other people is very dangerous. That is where many people stumble. If one person cannot make out, he will try to pull other one also and put some false doctrine and say come out. Influenced by other people. They never consult with the right person. They are influenced by the denominational spirit.

When the teaching becomes terrible, what will the devil do? His plan will be to kill all of us, He must not live". Because, if this message goes out, Christian religion itself will be lost. All the religions will be lost. That is why He says; *"He that shall endure unto the end, the same shall be saved"* (**Matthew 24:13**). Those who ran away now, those who run off in the middle, all of them won't stand. Eternal Life comes to those who say, "Come what may, even if death comes or whatever may come, I will stand till the end".

If anyone brings a wrong doctrine or message, check it with the Bible or with the Iyyah's message. You know, the people who are not written in the Book of Life, were cast into the hell. This is the second death. Why? You know Bible tells: *"Be afraid of Him who is able to kill your soul and body in hell."* - **Matthew 10:28**. As a human being we must do right things. Book of life means, those who have life as a human being. They must do good

things. If you do bad things, you are not written in the book of life. There is a Lamb's book of life. There is a book of life. There is a book of remembrance. There is a book. Any human being who do bad things, he is written on the book, and he is judged. **FOR US THERE IS NO JUDGMENT.** What a wonderful thing, you know!

The Kingdom of God is represented on earth since Adam time by various people like Seth, Enoch, Noah, Shem, Abraham, Jacob, Judah as they carried the seed of the Lord God and the Bride. It was represented during the time of Jesus as Jesus – the Son of God along with His disciples. In the same way in our period He has manifested as Son of Man and the Bride to establish the Kingdom of Heaven on earth, the Davidic rule for which we are foreordained to act our part during His ministry on earth. That is why anyone belonging to this Kingdom cannot have a 'self' or 'will' of his own and should do only the Word of God is the condition. Others who do not follow the principles of the Kingdom of God, even though they act like children of God they are thrown into outer darkness. They are the ones without any revelation of the Son of Man, and have hid the talent and are thrown into Tribulation. Read **Matthew 25:14-46** and meditate. For further reference read the book **Tree of Life, Page: 131-140. You cannot be a part of the Kingdom of God as a family, whereas on earth you can be a part of the Kingdom of Heaven as a family and as tribes also.**

As told in Matthew 10:27: *"What I tell you in darkness, that speak ye in light: and what ye hear in the ear, that preach ye upon the housetops..."* we have to spread the light which we found in the darkness. Hence arrange a One God One Nation meeting in your respective centers on **October 2nd**. It is a government holiday so you can invite your friends and relatives and release the books assigned to you. Further instructions will be given to you regarding this.

So if this ministry had brought you to God and stand with God on the WORD. It has not only brought you, it will bring multitudes in the Tribulation. Why does it bring that? Because it's the Truth when the revealed Truth catches the people, it shakes the foundation of the denomination. There are messages which are so neglected now, very soon, the people will be hungry for that. And when they read it, they will tell this. My! we didn't know that before. But for us, God opened our eyes. What should we do today? Be of one mind.

If this ministry and God's training doesn't make you humble you cannot be God's people. But if you say, we have been great people, we'll meet with the Bride after the white throne, in the fire, don't worry. When you cry in the pit, then you can say at that time, but don't talk now if you talk now, it qualifies you for that. **Pride is a thing which man falls. Before your destruction it's pride, then the devil gets in. The first thing the devil will make you talk is, oh, the chest comes forward and you know everything like that. Search and see whether you got humility!**

We kindly request to Celebrate **July 1st Tuesday** according to **Leviticus 23:23-25** by hoisting the Love Flag in your respective Centres with the help of Elders and Workers. Celebrate it happily with love among the brethren. **Prepare yourself to attend 56th Kalki Jayanthi Celebrations from July 14th till 22nd.** Kindly read this Circular Letter to all believers in your area make Xerox copies and distribute them.

Chain praises take it seriously. Praising God is an essential factor. Do not fail to join with us in your respective Prayer homes in Praising and meditating on the Lord between 5 a.m. and 6 a.m. daily for your spiritual upliftment. **May Iyyah bless you all. We can see His rising as a lion to roar. Do not be afraid. The victory is ours. All faithful followers of the WORD of God, please do not hesitate to inform us the Move of God in your areas and write to us without fail. Don't lend your ears for false propaganda.**
